## CHIEFTAIN CHAIR 1949

---

The Chieftain Chair is one of Finn Juhl's absolute masterpieces, representing the peak of his career as a furniture designer. At its introduction in 1949, the chair marked a renewal of the Danish furniture design tradition and today it is perceived as one of the most important exponents of the Danish Modern movement in the US during the 1950s. For this reason, Finn Juhl is often considered one of the fathers of Danish Modern design.
