LITTLE MOTHER SOFA 1945

It is with great joy that we are relaunching this sofa that has been in hibernation since 1945. Today, 75 years later, The Little Mother Sofa is just as relevant in decorating a private home as it is in an elegant hotel lobby. The sofa comes in two lengths and presents itself as a seamless design with a slight and natural curvature towards the center. The organic shape and tight upholstery nicely accentuate the sculptural expression of the sofa. Its shape embraces the seated body, making it comfortable in any position.
