

Perforated Arc Dome 14"

ALLIED MAKER

CEI-059

Perforated Arc Dome 14"

DESCRIPTION

This fixture features a 14" hand-spun brass perforated dome, with hand-blown glass that provides pleasant surface diffusion while also complimenting the light's overall form. The carefully shaped arc of the bent brass, and the hand-turned wood topper serve both an aesthetic and functional purpose. This pendant hangs from suspension tube that is cut to size.
