

# Sail Floor Lamp

ALLIED MAKER

FLO-007

## DESCRIPTION

The Sail collection celebrates the magic of bounce-light. A small yet powerful spotlight is concealed within a cone shade. The spotlight shoots upwards, bouncing off a large brass disc which reflects a beautiful glow of soft light. Its solid-brass swivel allows for full rotation of the reflective disc. A user can adjust the light left, right, forwards, or against the wall at any moment. Sail feels expressive yet straightforward, merging our artisan craftsmanship and quality materials with a fun interactive element to create different lighting moods.
