# Tri Cone Mini

CEI-149

## DESCRIPTION

The Tri Cone Mini echoes its form in 3 geometric elements. A tetrahedron structure suspends a glass disc under a cone shade that houses a focused spotlight. The light is diffused by a micro-pyramid texture in the glass resulting in a beautiful expanse of diffused light.

## MATERIALS

Brass, Glass

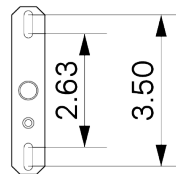

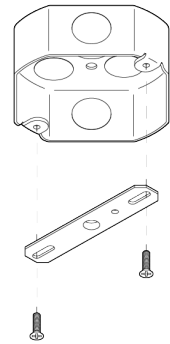

## METAL FINISHES

Available in All Standard Metal Finishes

## GLASS FINISHES

Frosted, Pixel
