

GEOMETRIC DINING TABLE

The Geometric Series from BassamFellows celebrates the sublimity of pure geometry championed by the Wiener Werkstätte and the Bauhaus.

The Geometric Dining Table is BassamFellows first pedestal table featuring a tubular steel base formed from a collection of radiating postal elements mechanically fixed and cinched together with wrapped leather. The top is veneered wood with a carved, solid wood edge. This 60" table marks the first in a system of smaller tables to be added to the Geometric Series, which will feature fewer base posts to accommodate tabletops with less surface area.

CB-464	Ø 61"	Ø 155cm
Geometric	H 28 3/8"	H 72cm
Dining Table	Top 1"	Top 2.5cm

Veneered top with solid edge banding in Walnut, Ash or Ebonized Ash. Base Options: Satin Nickel or Bronze.
