

Fiber Pendant Small

The Fiber series was inspired by the warmth of rice paper pendants. Combined with nautical materials, and connections, the elemental construction uses raw fiberglass discs, illuminated by blown glass bowls. Each component simply rests in another, which creates a natural ease between materials.

Materials

Steel or Brass
Polished or Satin
Blown Glass
Fiberglass

Specs

Overall height to order: min. 22-1/2"
1 E26 socket, max 60W
8.5W LED bulb included
