

STRATA COFFEE TABLE
TWO TIER / ROUND / METAL

An exercise in minimalism, custom hardware is press-fit into the brass or aluminum plate top, creating a perfectly flush and seamless mechanical connection to the precision machined legs below. A secondary lower tier provides storage helping maintain a clear table top above

Material & Finish

Available in waxed brass and aluminum. The wax slows the patina process down on the brass to provide a more consistent color and character over time

Special Notes

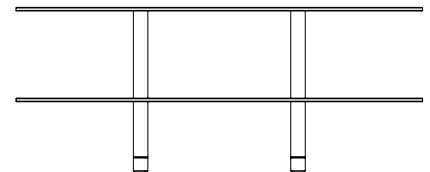

Solid brass or aluminum legs feature adjustable leveling feet

Lead Time

14 - 16 Weeks

Starting List Price

Aluminum - \$12,000
Brass - \$14,500

Standard Dimensions

36" L x 36" W x 17" H
42" L x 42" W x 17" H
