

STRATA COFFEE TABLE
TWO TIER / SQUARE & RECTANGLE / STONE

An exercise in minimalism, custom hardware is press-fit into the natural stone top creating a perfectly flush and seamless mechanical connection to the precision machined legs below. A secondary lower tier provides storage helping maintain a clear table top above

Material & Finish

A range of different stones are available, please inquire for availability and pricing. Brass legs are waxed to create a more controlled natural patina over time

Special Notes

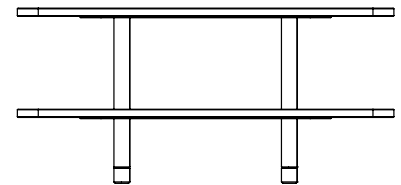

Solid machined legs feature adjustable leveling feet
