

STRATA HUTCH  
TWO BAY

In an elevated synthesis of materials, hardwood surfaces are joined by vertical steel rods to create a rigid architectural framework. External rods celebrate the unique construction, while brake-formed steel panels form a captive interior

**Material & Finish**

Extensive standard finish options available for the wood, rods and panels create a myriad of possible combinations ensuring each made-to-order piece compliments its space perfectly

**Special Notes**

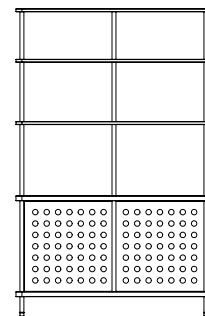

Front panels can be perforated or non-perforated. One adjustable shelf per bay. Format options: Two hinged doors, two sliding doors or two bays of drawers

**Lead Time**

14 - 16 Weeks

**Starting List Price**

\$17,800

**Standard Dimensions**

49.5" L x 20" W x 76" H
