

STRATA HUTCH
THREE BAY

In an elevated synthesis of materials, hardwood surfaces are joined by vertical steel rods to create a rigid architectural framework. External rods celebrate the unique construction, while brake-formed steel panels form a captive interior

Material & Finish

Extensive standard finish options available for the wood, rods and panels create a myriad of possible combinations ensuring each made-to-order piece compliments its space perfectly

Special Notes

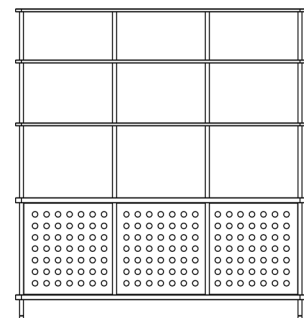

Front panels can be perforated or non-perforated. One adjustable shelf per bay for all door options. Formats available: All sliding, all hinged, all drawers or two outer hinged doors with one interior bay of drawers

Lead Time

14 - 16 Weeks

Starting List Price

\$23,000

Standard Dimensions

72.75" L x 20" W x 78" H
