Welles Reimagined By Kelly Hoppen CBE

in Satin Brass & Matte
White Porcelain

London-based, multi-award-winning designer Kelly Hoppen CBE has an ever-evolving style, defined by a subtle fusion of clean lines and neutral tones intuitively balanced with an opulent warmth. With thousands of projects over the last four decades, Kelly and her talented team create multi-faceted couture interiors, with a diverse portfolio of projects.

Crafted from white clay and complemented by satin brass, Kelly's reinterpretation is inspired by a collection of ceramics that she is currently designing. Kelly has focused on the materials and scaled the size down to create an elegant overall appearance. It is wonderfully delicate yet maintains the same sense of movement as the original Welles fixture.
