 E27 / 220v / 6w / 2500k / dimmable LED globe
 Maximum Fixture Wattage: 60w

UL, cUL (120V) Certified

Inspiration

Heavy industrial clamps have been used in manufacturing for centuries, and each tool we find comes to us with a story and original markings. By carefully replating and pairing each piece with hand-blown glass, the Clamp collection softens the tough-edged industrial implement while celebrating its legacy.
